

**Los Alamos Community Services District
Job Opportunity (One Position Available)**

82 Saint Joseph Street, P.O. Box 675, Los Alamos, CA 93440, (805) 344-4195

Titles: Operator Grade I / Operator Grade II

Salary Ranges: Operator Grade I - \$4,086.00 - \$5,230.00 (Monthly)
Operator Grade II - \$5,018.00 - \$6,423.00 (Monthly)
All positions are full-time with benefits.

Application Deadline: March 3, 2025

Operator Grade I - Under guidance of the General Manager/Chief Plant Operator, Operator Grade I performs a variety of skilled and semi-skilled maintenance and construction work involving the water and wastewater system facilities, performs water quality tasks and completes other related work as assigned. This operator grade series requires a Grade I Water Distribution Operator certificate, as issued by the California State Water Board and a Grade I Wastewater Treatment Operator certificate, as issued by the California State Water Board.

Operator Grade II - This is a skilled and semi-skilled class in the operator grade series and is distinguished from the other operator grade class with responsibility to perform skilled construction and maintenance work and to be responsible for all facets of water quality control. This operator grade series requires a Grade II Water Distribution Operator certificate, as issued by the California State Water Board and a Grade II Wastewater Treatment Operator certificate, as issued by the California State Water Board. The basic distinction between this class and the entry level class is that the Operator Grade II series will be expected to perform required duties with little or no direct supervision and to be able to use sound judgment in the case of emergencies to provide the water and wastewater system with no significant interruptions.

Conditions of Employment include, but are not limited to:

On-call/standby duty required and ability to respond within 30 minutes.

Equivalent to graduation from high school. Experience in water distribution and wastewater treatment or related field with certification and/or advance education is desired.

Must possess a valid California driver's license and be insurable under the District's insurance policy.
